The Nativity of Saint John the Baptist

June 23<sup>rd</sup> & June 24<sup>th</sup>, 2018

My Dear Parishioners,

Two months ago Paul Miller's sister called to tell me that Paul was in the hospital in Omaha with brain cancer and the doctor gave him two months to live. I rushed there to give him the Last Rites. He was so out of it when I came, that all he did was open his eyes for one second, looked at me and murmured, "Father Andy" and closed his eyes.

I went to see him again on Tuesday this week and this time he was in high spirits. He was talking, joking, and laughing as if nothing was happening. He was a completely different person than the last time I saw him. He prayed daily, said the rosary, read the bible and a chaplain at the hospital brought him communion every day. He asked me to tell all of you that he is in good spirits and waiting for a miracle, and thanks for your prayers.

Please continue to pray for Paul and for all the sick in our parish!

God Bless,  
Father Andy
