Thirty-First Sunday in Ordinary Time

November 3 & November 4, 2018

My Dear Parishioners,

November is the month of souls (in purgatory). Please, do penance, give alms, offer Masses and pray for them. They will appreciate you greatly. See, the souls do not have bodies so they cannot do anything for themselves. They are helpless and they totally 'rely' on us.

Speaking of praying for souls, I found one from Saint Gertrude:

“Eternal Father, I offer Thee the Most Precious Blood of Thy Divine Son, Jesus, in union with the Masses said throughout the world today, for all the holy souls in purgatory, for sinners everywhere, for sinners in the universal church, those in my own home and within my family. Amen”

Say this prayer daily during this month for the souls in purgatory. This is the least we can do for them.

God Bless!
 Father Andy

SCHOOL NEWS

We had our Saint Celebration early this week. The students chose a saint to research and then gave their report on what they learned. They all did a fantastic job and we all learned more about the lives of the saints.

Also, this week we had a visit from area veterans who came to speak to the students and staff today about their military service. We enjoyed learning about the jobs they had while in the service and the ships they lived on. Thank you for your service!

Feed the Hungry

Archbishop Lucas has blessed Catholic Charities to ask for your assistance for their emergency food pantries through a special collection "Hunger Doesn't Take a Vacation" on Saturday, Nov. 10th & Sunday, Nov. 11th.

Catholic Charities provides for those who go hungry. They serve individuals & families at emergency food pantries located at the Juan Diego Center in south Omaha & St. Martin de Porres in north Omaha each year. And, also their outreach food assistance twice a month in a pantry located at St. Joseph's rectory in Walthill, serving the Omaha Indian Reservation. This pantry serves the area with the highest poverty level in the state and allows Catholic Charities to reach more than 10,000 people annually.
