We know summer is a very busy time & we thank these students for taking time out of their summer schedule to serve their church. If the days you are scheduled to serve do not work for you, please trade with another student. We will also be putting the weekday schedule in the bulletin every week for the upcoming week as a reminder.

THANK YOU STUDENTS FOR SERVING THESE MASSES!

Watch the bulletin for any Mass changes. Also remember the week of June 10th - 14th for Totus Tuus!!!

(All masses at 8:15am unless stated different)

***** Please note....with the new priest coming in, we do not know what day of the week he will take as his day off.....the week your child is scheduled will stay the same, but the day of the week may change. Please watch the bulletin for updates******
